

What is PressReader?

6000+ Publications | 100+ Countries | 60+ Languages

Enjoy your favorite publications and discover new titles.
Choose from thousands of magazines and newspapers!
Read them in the image-rich original layout.

Get Started

You can access PressReader two ways:

1. **In library** using library WiFi & PressReader HotSpot
2. **Remotely** away from the library; e.g. at home

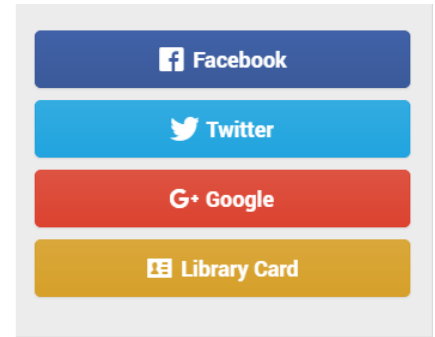

Use PressReader in Library (HotSpot access)

1. Open www.pressreader.com on a library computer or connect a personal device to library WiFi & launch the PressReader app.
2. Select your desired publication(s) and start reading!
3. HotSpot access lasts for 48 hours.
If you see a green cup, you are connected!

Use PressReader at Home

1. Visit www.pressreader.com

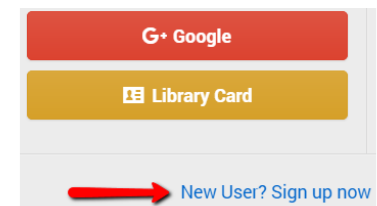

2. Sign in with Library Card
3. Select library: **CHINOOK ARCH REGIONAL LIBRARY SYSTEM**
4. Enter your library card number and PIN.
If you do not know your PIN, please contact your local library.
5. Sign In

Use the PressReader app

**Please note: access via the app is only available for up to 48 hours after visiting a PressReader HotSpot.
To enable access after that time, revisit any PressReader HotSpot.
PressReader is working to enable library card sign-in on the app soon.*

1. Access PressReader through your library's website or via www.chinookarch.ca/content/pressreader
2. Click Sign In-- see top right corner.
Select "New User? Sign Up Now"

3. Fill out the form and click Done

4. Download the free PressReader app

5. Sign In

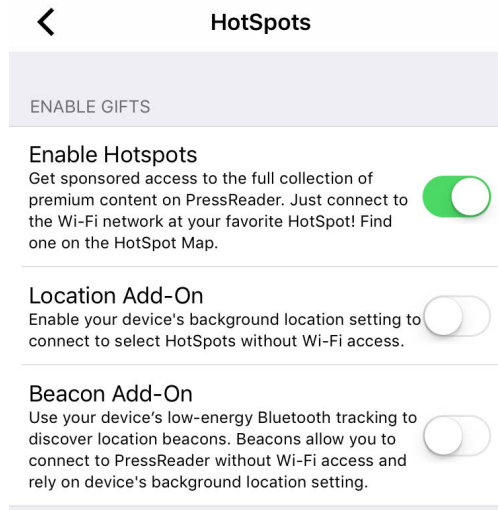

6. Enable HotSpots.

This will allow you to access all PressReader content when you visit a library in our region. HotSpot access lasts for 48 hours after leaving the library.

7. Your app is now enabled.

Choose your favorite titles and start reading!

Download the App

Thousands of newspapers
and magazines.

Unlimited access.

How To...

Visit the PressReader YouTube channel.

Here you will find short instructional videos such as:

- How to select publications
- How to use the Home Feed
- How to personalize your reading experience
